

Deebling Heights State School Student Resource Scheme Information

2025 Student Resource Scheme

Dear Parent/Caregivers

State Schools provide free instruction, administration and facilities to students of Australian citizens or permanent residents. However, in conjunction with their Parents and Citizens Associations (PCA), schools are able to ask parents for a contribution to provide extra resources.

At Deebling Heights, the school strives to provide the best possible educational opportunities for all students. In doing so, it is challenged constantly to justify the worthiness of learning programs against recurring resourcing costs. The reality is that unless parents provide supplementary funds, the school cannot continue to commit to the current full range of education experiences that students enjoy.

At Deebling Heights Parents and Citizens Association meeting, it was agreed that the 2025 Prep Student Resource Scheme will be **\$200** per student, and the 2025 Years 1-6 Student Resource Scheme would be **\$80** per student.

In return for payment for the Student Resource Scheme your child will receive the following items:

- ◆ Prep stationery supplied
- ◆ Prep maths workbooks
- ◆ Literacy workbooks differentiated for year levels
- ◆ General textbooks
- ◆ Class Sets of workbooks, worksheets, reference materials and teacher prepared booklets.
- ◆ Class Sets of writing and drawing materials; whiteboards, stationery, project materials.
- ◆ Reprographics support for differentiation (photocopying of workbooks)
- ◆ Online Subscriptions to Reading Eggs, Fast Phonics, Math Seeds, Mathletics

Please see a full breakdown of all costs overleaf.

I seek all parents support to assist the school to realise the Resource Scheme target to enable our teachers to maximise learning opportunities for all our students.

Please fill in the attached Yellow Student Resource Scheme Agreement form to advise the school that you will/will not participate in the Scheme and **return the form to the office**. You can pay directly via BPoint, QParents or Qkr. (BPoint, QParents and QKR information also attached)

The Voluntary Building Contribution is \$25 and supports facility improvements in consultation with our P&C Association. No invoice will be sent out for the Voluntary Building Contribution. Please pay this via QKR App. Download app onto your phone or tablet. Search for Deebling Heights State School and follow the prompts, click on Voluntary Contribution, select your amount and pay with card.

Thank you in anticipation of your support of the Student Resource Scheme and our Voluntary Contribution Scheme.

Yours faithfully,

Andrew McDonald
Principal
