

Investing for Success

Under this agreement for 2017

Deebing Heights State School will receive **\$44 395***

This funding will be used to

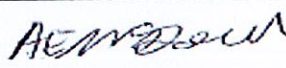

- Implement strategies that support staff and students to achieve our schoolwide target of 90% of students achieving an A-C result on Semester 2 English report cards.
- Implement strategies that support staff and students to achieve our NAPLAN target in reading performance comparable to like schools and national results – NMS, Mean score, U2B.
- Implement strategies that support staff and students to achieve our schoolwide target of 90% of students in Prep to Year 2 meet or exceed our PM Benchmark targets.
- Implement strategies that support staff and students to achieve Progressive Achievement Test in Reading (PAT R) Year 2-6 targets (23% Stanine 1-3, 54% Stanine 4-6, 23% Stanine 7-9).
- Improve staff data literacy skills and precision of pedagogy through collaboration and deprivatising of classroom practice.

Our initiatives include

- Undertake regular collaborative review of student reading data using our Data Assessment Schedule to inform whole school intervention and professional development program (Lyn Sharratt).
- Implement high yield, precise targeted teaching strategies informed by the analysis of student results including current and historical results (John Hattie).
- Develop consistency and precision of Explicit Instruction through professional learning including participation in observational rounds, feedback and coaching (Anita Archer).

Our school will improve student outcomes by

Engage a Head of Curriculum and Support Teacher Literacy and Numeracy to support planning, pedagogical improvement and data analysis.	\$30000
Provide professional learning opportunities to teachers and teacher aides to improve their literacy knowledge and expertise in data collection, analysis and intervention.	\$5655
Targeted release of teachers to provide opportunities to build capacity in the areas of Explicit Instruction, coaching and feedback; and for data collection, analysis and planning.	\$5500
Purchase online and physical resources to support intervention, diagnostic testing and scaffold instruction.	\$5000
