School overview

Deebing Heights State School is an Independent Public School opened in 2016. The school is based on Rawlings Road, in the suburb of Deebing Heights. It is a co-educational State school that caters to Prep to Year 6 students. Our school is being delivered under a Public Private Partnership, overseen by Plenary Schools. It involves construction by Watpac Construction Pty Ltd and ongoing cleaning, grounds maintenance and facility maintenance by Delta FM Australia Pty Ltd. This model allows the school to focus on our main business of teaching and learning. Because of enrolment capacity and growth, Deebing Heights State School is enrolment managed. Our enrolment management plan is available via our website. The school vision is Excellence in Teaching, Excellence in Learning and Excellence in Partnerships. We teach the Australian Curriculum, including English, Mathematics, Science, Humanities and Social Sciences, Health and Physical Education, Technologies, The Arts, Languages (Japanese). There is a particular emphasis on mastering the basics of literacy and numeracy. Deebing Heights State School is committed to providing a safe, respectful and disciplined learning environment for students and staff. We share high expectations for our students and our expectations are explicitly taught and positively acknowledged.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)		159,757	
Water (kL)			

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.
